Fiscal Analysis

Officials at the **Platte County Board of Election Commission, St. Charles County** and **St. Louis County** each assume no fiscal impact to their respective entities from this proposal.

Oversight assumes the districts will increase the per diem for street light maintenance for board members if the County's budget allows. Therefore, Oversight will reflect no fiscal impact from this proposal.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
