FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Oversight assumes this proposal authorizes Office of Administration to have the ability to hold reverse auctions to procure merchandise, supplies, raw materials, or finished products if price is the primary factor in evaluating bids. **Oversight** assumes this proposal as written will not have a direct fiscal impact on the Office of Administration or any state agencies.
