FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol** assume the proposal would not fiscally impact their agency.

Officials from the **Boone County Sheriff's Department** state they may experience some loss in collection of late fees. However, the amount would be negligible at best expecting the number of times this will happen with someone meeting these parameters would be extremely few.

Officials from the **Cole County Sheriff's Department** state the fiscal impact would be very tiny.

Officials from the Platte County Sheriff's Department and the St. Louis County Police Department did not respond to **Oversight's** request for fiscal impact.

Oversight assumes the fiscal impact to counties would be minimal, and will not reflect a loss of fees to sheriffs.
