**FISCAL ANALYSIS**

ASSUMPTION

Officials from the **Department of Revenue** assume there are 16,500 certified police officers in the state of Missouri. If 1% of those are members of the Fraternal Order of Police and would apply for this speciality plate there would only be 165 applications. This would have a minimal impact on the Department of Revenue and could be implemented with existing resources.

The revenue generated from the additional \$15 fee would also have minimal impact based on the number of applications anticipated. If the number of applications increased, revenue would be affected accordingly.

In response to similar proposals, the **Department of Transportation** and the **Missouri Highway Patrol** have responded that they assumed no fiscal impact to their organizations.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would create a special license plate for members of the Fraternal Order of Police of the state of Missouri.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
