DESCRIPTION

This bill revises the residency requirements for candidates for school board in districts with seven-member school boards. Currently, candidates must have resided in Missouri for a year before the election; the bill changes the requirement from residency in the state to residency in the district and requires the candidate to be a registered voter in the district. The bill also makes technical changes and eliminates obsolete language.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
