FISCAL ANALYSIS

ASSUMPTION

Officials with the **Department of Revenue** (DOR)- Driver and Vehicle Service Bureau (DVSB) assume this proposal would require various changes to the policies, procedures, forms and postage. The DVSB will incur cost in the amount of \$530 to ensure these changes on incorporated.

If highway funds are not available, then another source of funding must be identified to pay for the cost of implementing this legislation.

Oversight assumes that any additional costs to DOR will be minimal and can be absorbed from existing resources.

Officials from the **Missouri State Highway Patrol, Department of Economic Development and Department of Transportation** assume no fiscal impact on their agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

It is assumed that small businesses dealing in motor vehicles could be impacted as a result of this proposal.

DESCRIPTION

This proposal would require that the business signs for certain motor vehicle dealers contain the name by which the dealership is known to the public. The name does not need to be identical to the name appearing on the dealership's license so long as the name is registered as a fictitious name with the Secretary of State and a copy of the registration is provided to the Department of Revenue.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
