FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This act modifies the current law concerning a county's adoption of planning and zoning prior to becoming a first class county so as to specifically include Cass County. This change will enable Cass County to continue to operate under its existing planing and zoning laws.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
