FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of State Court Administrator** assume that costs would be dependent upon the number of county ordinance violations that would be heard by the Circuit Judges. Officials assume there would be a minimal amount of cases heard, and assume no fiscal impact.

Cass County Officials assume no fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal allows the Cass County Commission to elect to have violations of its county ordinances, heard and determined by an Associate Circuit Judge. If the County elects to have cases heard by a Circuit Judge, the Judge would begin hearing cases within 6 months of being notified of the County Commission's decision. With consent of the Presiding Judge the Circuit Judges could begin hearing cases sooner.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
