FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Labor and Industrial Relations (DOL)** state this proposal is federally mandated as a result of Section 166 of the Community Renewal Tax Relief Act of 2000 as enacted by the Consolidated Appropriations Act, 2001(CAA), PL 106-554 and requires states to make certain provisions for businesses solely owned by federally recognized Indian Tribes.

DOL notes the costs for reprinting forms and pamphlets due to changes created by the proposal would be absorbed. DOL notes current law does not conform to federal statutes and failure to pass the proposal could cost Missouri employers as much as \$997 million annually due to the loss of Federal Unemployment Tax Act credits and the Division of Employment Security an estimated \$40 million in federal funds.

Officials from the **Office of the Attorney General** assume costs of any actions to enforce the provisions of this proposal can be absorbed with existing resources.
