FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

The proposed legislation would allow a party to a “contested case” with a state agency to apply to a court for enforcement of a subpoena. Current law allows only the agency to seek court enforcement. The proposal would also allow the agency or any party to intervene in an enforcement action.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
