**ASSUMPTION**

Officials of **Greene** and **Franklin** counties assume no fiscal impact.

**Oversight** assumes this proposal corrects current law that regulates the salaries of certain County Treasurers. Oversight assumes any increase in salary for certain County Treasurers would continue to depend upon the decisions made by the County's Salary Commission. Oversight assumes no fiscal impact to state departments, and assumes no fiscal impact to certain counties.

**Counties not responding are as follows: Clay, Platte, Cass, Johnson, Boone, Callaway, Marion, Jefferson, Taney, and Cape Girardeau Counties.**

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

The proposal removes one of the two salary schedules from the law setting salaries of county Treasurers in Jackson County, and in second, third and fourth class counties. The schedule being removed had a lower minimum and maximum salary range than the one left in statute.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
