FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of State Court Administrator** assume there would be no fiscal impact on the Courts.

Officials of the **Kansas City Manager's Office** assume this proposal would generate approximately \$350,000 annually. Officials stated that these monies would be used to offset most of the costs of a records management system. Officials assume that would improve the administration of justice in Kansas City.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

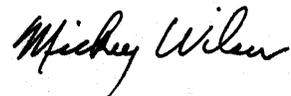

DESCRIPTION

This bill allows Kansas City to provide for additional court costs up to \$5 per case for municipal ordinance violations to be used for the procurement, installation, maintenance, consulting services, and upkeep of a court information and records management system.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
