FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections, Department of Public Safety – Missouri State Highway Patrol, – Missouri State Water Patrol, and the – Capitol Police** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of Prosecution Services** assume prosecutors could absorb the costs of the proposed legislation within existing resources.

Officials from the **Office of State Public Defender (SPD)** assume new crimes create new cases for the SPD. The exact number of cases affected is too uncertain to provide a definitive dollar amount of fiscal impact. Since the amount of impact is uncertain, the SPD cannot assume existing staff will be able to provide representation in these cases. However, once the true fiscal impact is determined, the SPD will reassess the impact of this legislation. Passage of more than one bill increasing existing penalties or creating new crimes will require increased appropriations for the SPD.

ASSUMPTION (continued)

Oversight assumes the SPD could experience an increase in case load due to the proposed legislation. Oversight assumes the SPD could absorb the cost of the increased case load within existing resources.
