**FISCAL ANALYSIS**

**ASSUMPTION**

Officials of the **Office of Secretary of State - State Library** stated the number of board members for consolidated public library districts is set by law. To require trustees to live in the districts would have no fiscal impact in that the number of trustees remains the same.

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

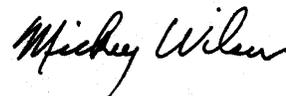

This act requires trustees of consolidated public library districts to reside in the library district, as well as in the county they represent on the district board.

The act provides that the trustees in office as of August 28, 2005, who reside outside the district shall be deemed to have vacated their trusteeships and successors will be appointed.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
