FISCAL IMPACT - Small Business

This proposal may impact small business medical offices.

DESCRIPTION

Currently, health care providers are allowed to charge a handling fee of \$15 plus a fee of 35 cents per page to copy a patient's health care record. This proposal allows health care providers to charge a reasonable cost-based fee and conditions the furnishing of the records on the payment of this fee. The fee includes copying charges of not more than \$17.05 plus 40 cents per page for the costs of supplies and labor, postage, and notary fees not to exceed \$2.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
