ESTIMATED NET EFFECT ON LOCAL FUNDS			
FUND AFFECTED	FY 2006	FY 2007	FY 2008
Local Government	\$0	\$0	\$0

FISCAL ANALYSIS

ASSUMPTION

Section 205.010 – County Health Center in Cass County

Officials of the **Cass County Clerk’s Office** assume no fiscal impact.

Oversight assumes current law would allow Cass County to place the question of establishing a health center in Cass County but only by petition. This proposal would allow a majority of the Cass County Commission to place the question on the ballot. Oversight assumes this is enabling legislation and would have no fiscal impact without action by the governing body with voter approval. Oversight assumes no State or Local fiscal impact.

HA 1 – Nursing Home Districts in Ralls and Marion Counties

In response to a similar proposal (HB 730, LR # 2021-02), officials from the **Department of Health and Senior Services** and the **Ralls County Clerk’s Office** assume the proposal would have no fiscal impact on their agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2006	FY 2007	FY 2008
	(10 Mo.)		

	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2006 (10 Mo.)	FY 2007	FY 2008
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

Currently, any county may operate a public health center. Whenever the county commission is presented with a petition signed by at least 10% of the voters asking that an annual tax be levied the county shall submit the question to the voters at an election. In addition to the current method, this act would allow the Cass County Commission by a majority vote to submit the question of establishing a public health center to the voters.

The House Amendment would allow Ralls and Marion counties to establish nursing home districts to offer apartments for senior citizens which provide housing, food services, and emergency call buttons to the residents.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
