FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of Secretary of State- Business Services Division** estimate 10 businesses would be administratively dissolved annually under these circumstances. Officials stated the reinstatement fee of \$50 would be waived, therefore, the annual loss of revenue to the State's General Revenue Fund would be \$50 x 10 transactions or \$500. Officials assume that a separation fee of \$5 would also be waived. This fee is deposited in the Technology Fund. Officials estimate an annual loss of income to the Technology Fund of \$50, (\$5 x 10 transactions or \$50).

Oversight assumes loss of income to the Secretary of State's Technology Fund and to General Revenue would be insignificant, therefore, Oversight assumes no fiscal impact to state or local funds.

DESCRIPTION

If a corporation is administratively dissolved for failure to file an annual registration report and the Secretary of State determines that the failure was due to military service, this bill authorizes the Secretary of State to waive the reinstatement fees and other associated penalties, cancel the certificate of dissolution, prepare a certificate of reinstatement, and provide a copy to the corporation.

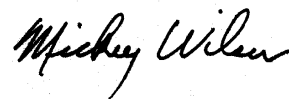

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
