FISCAL ANALYSIS

ASSUMPTION

Officials with the **Department of Agriculture** and **Office of State Court Reporters** assume no fiscal impact to their agency.

Section 260.546

Officials from the **Department of Natural Resources, Department of Agriculture, Department of Transportation** and **Department of Public Safety - Division of Fire Safety** assume no fiscal impact to their agencies.

Section 640.703 & 640.712

Officials from the **Attorney General's Office, Office of State Courts Administrator, Department of Health & Senior Services, Department of Agriculture** and **State Treasurer's Office** assume no fiscal impact to their agency.

Officials from the **Department of Natural Resources (DNR)** assume the Department's Division of Environmental Quality (Division), beginning about July 1, 2007, a joint legislative committee would consider the economic impact of CAFOs and any other aspect of CAFOs the committee finds of interest. The Division would provide information as requested by the committee as it conducts its deliberations, and accompany the committee on hearings, meetings or CAFO site visits as the committee deems appropriate. The report from the committee is due December 31, 2007 and the Division may be involved in data gathering or analyses, at the committee's discretion. The Division assumes staff time would be required to prepare and submit information that is requested from the joint committee, resulting in a shift of duties for water and perhaps air staff. The Division is unable to estimate how much time would be necessary to respond to committee requests.

In addition, the Division may be called upon by the Department of Agriculture to contribute to educational programs for management staff of Class I and II operations since many aspects of such operations relate to environmental protection requirements and features of such operations. Again, the Division is unable to estimate the extent of effort necessary to assist the Department of Agriculture in these efforts until the scope of which training is further defined.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
