FISCAL ANALYSIS

ASSUMPTION

Officials from **State Tax Commission, St. Louis County** and **Clinton County** assume there will be no fiscal impact to their county.

Officials from **Cass County** assume this proposal is raising the dollar amount before a bid must be noticed to the public. Cass County assumes there would be some cost savings since it may reduce the number of bid notices for purchases under \$6,000.

Officials from **Platte County** assume there will be a net cost savings to their county, however, the amount is not determinable at this time.

Oversight, because this proposal is permissive, will show fiscal impact to local governments to be zero.
