FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Gaming Commission** state that after consulting the enforcement staff, the consensus is there is no fiscal impact for this bill. There may be a fiscal impact for state regulations which could be revised subsequent to passage of this bill, but these potential changes are not clearly required by the statutory change.

Officials from the **Office of the State Public Defender, Office of the State Courts Administrator**, and the **Office of Prosecution Services** each assume the proposal will not fiscally impact their respective agencies.
