ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions, and Professional Registration, Department of Mental Health, Department of Health and Senior Services, Missouri Consolidated Health Care Plan, Department of Labor and Industrial Relations, Missouri Department of Transportation, and Missouri Department of Conservation** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Administration - Administrative Hearing Commission** anticipate the proposal will not significantly alter its caseload.

Officials from the **Department of Social Services (DOS)** state the proposal exempts health insurance plans operated by nonprofit organizations from Chapter 376, which deals with regulation of Life, health, and Accident Insurance. Only plans that meet specific conditions are exempt. In addition, the proposal grants civil immunity to certain professionals who provide care on a volunteer basis at a nonprofit faith-based community health center. Officials assume the proposal will have no fiscal impact on the DOS.
