FISCAL ANALYSIS

ASSUMPTION

Sections 210.844 & 454.1500 - 454.1730:

Officials from the **Office of the State Courts Administrator, Office of Prosecution Services** and the **Missouri State Governor** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Office of the Attorney General (AGO)** assume section 454.1506 of this proposal has been amended to clarify that the AGO would not be a support enforcement agency. However, section 454.1569(a) also contains a provision that states that AGO "may provide those services directly to the individual." AGO assumes that this has the same effect as designating AGO as a support enforcement agency, requiring AGO to mirror the services provided by DSS and duplicate the budget of DSS for such services, as well as any increase due to this proposal. The costs are currently unknown to AGO but could exceed \$100,000.

Officials from the **Department of Social Services (DSS)** assume the proposed legislation would require the Family Support Division to change its procedures and forms when the change in law becomes effective (i.e., when the U.S. deposits its instrument of ratification of the Hague Convention). These changes can be accomplished with existing staff.

Officials from the **St. Louis Family Court** have not responded to Oversight's request for fiscal information.

FISCAL DESCRIPTION

Sections 210.844 & 454.1500 - 454.1730:

The proposed legislation repeals the provisions regarding the Uniform Interstate Family Support Act; re-enacts them to be consistent with the changes adopted by the National Conference of Commissioners on Uniform State Laws; and extends the provisions of the act to the establishment, enforcement, or modification of child or spousal support orders that involve a foreign country.

The bill becomes effective upon ratification by the United States Congress.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
