FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development - Public Service Commission** and **Office of Public Counsel** and the **Joint Committee on Administrative Rules** state this proposed concurrent resolution will have no fiscal impact on their respective agencies.

Officials from the **Office of the Governor** state there should be no added cost to the Governor's Office as a result of this proposal.

Officials from the **Missouri Senate** state this proposal either has no fiscal impact as it relates to their agency or minimal costs which can be absorbed by present appropriations.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **House of Representatives** did not respond to a request for fiscal impact. **Oversight** assumes, based on responses from other agencies affected by this proposal, that there would be little, if any, cost to this agency. **Oversight** assumes any minimal cost could be absorbed with existing resources.

<u>FISCAL IMPACT - Local Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
