FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** assume the proposal would not fiscally impact the courts.

Officials from the **Office of Prosecution Services, Department of Public Safety**, and the **Office of the State Public Defender** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Corrections (DOC)** state this bill proposes to create the crime of practicing medicine while intoxicated. The penalty provision component of this bill resulting in potential fiscal impact for DOC, is for up to a class B felony.

Currently, the DOC cannot predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in direct offender cost either through incarceration (FY10 average of \$16.397 per offender, per day, or an annual cost of \$5,985 per inmate) or through supervision provided by the Board of Probation and Parole (FY10 average of \$3.92 per offender, per day or an annual cost of \$1,431 per offender).

In summary, supervision by the DOC through probation or incarceration would result in additional unknown costs to the department. Seventeen (17) persons would have to be incarcerated per each fiscal year to exceed \$100,000 annually. Due to the narrow scope of this new crime, it is assumed the impact would be less than \$100,000 per year for the DOC.

Oversight assumes the number of physicians or other licensed health care professionals that would be incarcerated as a result of this proposal to be a minimal amount; therefore, Oversight assumes the DOC would be able to absorb any costs associated with this proposal under existing appropriations. Oversight assumes the proposal would not create a fiscal impact to the state.

<u>FISCAL IMPACT - Local Government</u>	FY 2012 (10 Mo.)	FY 2013	FY 2014

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
