FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Higher Education** assume that there is no fiscal impact from this proposal.

In response to similar legislation filed this year, HB 682, officials at the **University of Missouri** assume no costs are associated with this proposal at this time. The program has not received funding from the legislature since 2004.

Oversight assumes this proposal increases the amount of the grant that the University of Missouri may distribute to a recipient. Therefore, this proposal does not have a fiscal impact.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
