FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** state this proposed legislation will have no fiscal impact on their agency.

Officials from the **Office of State Courts Administrator** state this proposal will have no fiscal impact on the Courts.

Officials from the **Department of Corrections (DOC)** state that, currently, the DOC cannot predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in operational cost through supervision provided by the Board of Probation and Parole (FY10 average of \$3.92 per offender, per day or an annual cost of \$1,431 per offender).

In summary, supervision by the DOC through probation would result in some additional costs, but it is assumed the impact would be \$0 or a minimal amount that could be absorbed within existing resources.

<u>FISCAL IMPACT - State Government</u>	FY 2012 (10 Mo.)	FY 2013	FY 2014

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
