FISCAL ANALYSIS

ASSUMPTION

Officials at the **City of Columbia, Office of the Secretary of State, Platte County Board of Election Commission** and the **St. Louis County Board of Election Commission** assume there is no fiscal impact from this proposal.

Officials at the **Kansas City Board of Election Commission** assume the cost to run a City wide election in their jurisdiction is \$400,000. This proposal may or may not affect whether an election is called.

Officials at the **City of Kansas City** assume no direct loss of revenue from this proposal. However, by increasing the required majority for passage of a tax within four years after it has failed the opportunity for increasing funds preferred by the majority of the voters is lost. This can have an indirect impact of reducing revenue.

Oversight assumes this proposal limits the number of times a vote can be held on the same issue and therefore would not have a fiscal impact on State or local government funds.

<u>FISCAL IMPACT - State Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
