FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions & Professional Registration (DIFP)** assume insurers would be required to submit amendments to their policies to comply with legislation. Police amendments must be submitted to the department for review along with a \$50 filing fee. The number of insurance companies writing these policies in Missouri fluctuates each year. One-time additional revenues to the Insurance Dedicated Fund are estimated to be up to \$5,000.

Additional staff and expenses are not being requested with this single proposal, but if multiple proposals pass during the legislative session which require policy form reviews the department will need to request additional staff to handle an increase in workload.
