FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections (DOC)** state the penalty provisions for violations, the component of the bill to have a potential fiscal impact for DOC, is for a class A misdemeanor. Currently, the DOC cannot predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in operational cost through supervision provided by the Board of Probation and Prolongation (FY 12 average of \$4.96 per offender, per day, or an annual cost of \$1,810 per offender).

The DOC assumes supervision by the DOC through probation or incarceration would result in some additional costs, but it is assumed the impact would be \$0 or a minimal amount that could be absorbed within existing resources.

Officials from the **Office of State Courts Administrator**, the **Department of Mental Health**, the **Department of Health and Senior Services**, the **Department of Social Services**, the **Department of Public Safety - Missouri State Highway Patrol**, the **Office of Prosecution Services** and the **Office of State Public Defender** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
