FISCAL ANALYSIS

ASSUMPTION

Officials from the **Attorney General's Office (AGO)** state this proposal authorizes the newly created committee to refer certain matters to the Attorney General's Office, and authorizes the AGO to seek appropriate relief. The AGO assumes this may result in additional referrals and additional litigation. However, the number and nature of such additional referrals and additional litigation are unknown at this time, and therefore costs are unknown. The AGO may seek additional appropriation if additional referrals or litigation result.

Officials from the **Missouri Senate** assume this legislation will have a minimal fiscal impact to the Missouri Senate that can be absorbed with existing appropriations.

Officials from the **Missouri House of Representatives** did not respond to our request for fiscal impact.

Oversight assumes this legislation may have a minimal fiscal impact to the Missouri House of Representatives that could be absorbed with existing appropriations.
