## FISCAL ANALYSIS

### ASSUMPTION

#### Section 1.370, RSMo. - Environmental and Development Policy:

Officials from the **Department of Health and Senior Services (DOHSS)** stated they were not able to estimate the fiscal impact of this proposal because the Department could be prohibited from contracting with certain entities with which the Department currently has contracts. Further, DOHSS officials stated that there could be a cost to develop and maintain a list of ineligible entities for future contracting.

**Oversight** assumes services offered by any prohibited entities could be provided by alternate entities. Oversight also assumes any required listing of ineligible entities would be developed and maintained on a centralized basis by the Office of Administration - Division of Purchasing for state agencies in a similar manner as for other prohibited and debarred contractors. Finally, Oversight assumes such a list could be developed and maintained at minimal cost.

Officials from the **Joint Committee on Administrative Rules**, the **Office of the Secretary of State**, the **Office of Administration**, the **Department of Agriculture**, the **Department of Conservation**, the **Department of Economic Development**, the **Department of Mental Health**, the **Department of Natural Resources**, and the **Department of Social Services** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of the Attorney General** did not respond to our request for information.
