FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of the Secretary of State** assume no fiscal impact from this proposal.

Officials at the **St. Louis County Board of Election Commission, Cole County** and **St. Louis County** each assume no fiscal impact to their respective organizations from this proposal.

The proposal is permissive in nature. If counties decide to have such a proposition submitted to their voters, they would incur election costs. If approved, the county could realize savings by going to a part-time county prosecutor position. For fiscal note purposes, **Oversight** will assume the proposal is permissive and show no direct impact.
