FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the current proposal would not fiscally impact their agency.

Officials from the **Department of Social Services (DOS)** assume the current proposal would not fiscally impact their agency. DOS assumes the law makes a specific exemption to the confidentiality provision to ensure that information can be shared with DOS as necessary. Also, DIFP has the responsibility for ensuring that Navigators possess the necessary bond as a provision of licensing.

Officials from the **Office of the State Courts Administrator (CTS)** would not anticipate a fiscal impact in excess of \$100,000.

Oversight assumes the CTS could absorb any costs arising from this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
