FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator**, the **Office of the State Public Defender**, the **Office of Prosecution Services**, and the **Department of Insurance, Financial Institutions and Professional Registration** each assume the current proposal will not fiscally impact their respective agencies.

Officials from the **Department of Corrections (DOC)** stated that they could not predict the number of new commitments which could result from the creation of the offense(s) outlined in the proposal. An increase in commitments would depend on the utilization of prosecutors and the actual sentences imposed by the courts. If additional persons were sentenced to the custody of the DOC due to the provisions of this legislation, the DOC would incur a corresponding increase in operational costs through supervision provided by the Board of Probation and Parole (FY 2013 average \$5.07 per offender, per day or an annual cost of \$1,851).

In summary, supervision by the DOC through probation or incarceration would result in some additional costs, but it is assumed the impact would be \$0 or a minimal amount that could be absorbed within existing resources.

<u>FISCAL IMPACT - State Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017

FISCAL IMPACT - Small Business

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
