ASSUMPTION

Officials from the **Department of Revenue (DOR)** assume this proposal changes the mailing of motor vehicle registration renewals from optional to a requirement. The DOR, Motor Vehicle Bureau is currently mailing renewal notices out at least thirty days prior to the renewal date. Therefore, this proposal will have minimal impact.

DESCRIPTION

This proposal requires the Director of the Department of Revenue to notify registered motor vehicle owners of the date of re-registration at least 30 days before the beginning of the registration period. Under current law, the director may notify within an appropriate period prior to re-registration.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
