FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Social Services, Department of Mental Health, Department of Corrections, Office of the State Courts Administrator, Office of Prosecution Services, Office of the State Public Defender, Office of the Attorney General, Department of Public Safety - Missouri Highway Patrol** and the **Boone County Sheriff's Department** assume this proposed legislation would not fiscally impact their respective agencies.

Oversight assumes the legislation is a clarification of the registration of sexual offenders, and therefore, will not have a fiscal impact upon state or local agencies.

DESCRIPTION

This proposal makes changes to the sexual offender registration requirements. The proposal also clarifies that a person obligated to register after committing a sexual offense must not only do so within 10 days of coming into a new county, but must also register within 10 days of release if the offender is staying in the county where incarcerated. Offenders who have not previously registered are required to do so within 30 days of the effective date of the proposal.

The bill has an emergency clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
